

Star of the Week

Every week our class will get a new “star”! For your child’s week, we ask you to help him or her select photos, books, favourite toys, and other artifacts that represent him or her as a special individual. Items will be displayed and returned at the end of the week. The purpose of this project is to build self-esteem and create deeper understandings of all members of our class community.

Here is our “Star of the Week” schedule:

| Week of... | Student |
|--------------|------------|
| September 3 | Hana M. |
